Notice to Implementation of SOx Surcharge

Dear Valued Customer,

Firstly, we would like to thank you all for your constant support to our service. This is to advise you that SOx regulation adopted by IMO comes in effect in January 2020, and we, Kyowa Shipping, hereto introduce the SOx surcharge which to be imposed for all the import/export cargo.

Kyowa Shipping will apply following surcharge from December, 2019 in order to cover value differences between conventional fuel oil and low sulfur oil and to maintain the quality of our liner service over the pacific region.
